## NEWS RELEASE

**Date:** 4/28/2008  
**Subject:** Earlier News Release-last paragraph  
**Contact Person:** Community Services Bureau 789-7240

This is the complete last paragraph of our earlier news release, which was partially omitted in transmission.

The La Crosse Police Department has been in contact with many of the other jurisdictions where young people have drowned and, of course, we remain open to any new and relevant information. There is no evidence at this time to connect La Crosse area drownings with any other deaths around the country.
